

Great people. Great products.®

Our Commercial Water Heater Hubs have the equipment, parts, and knowledgeable staff to help with your next job whether it's a planned replacement or a late-night emergency.

CALL 1-800-370-4125 to speak to someone at your regional hub.

We strive to complete all emergency delivery requests within four hours of receiving your call, as long as the job is within The Granite Group service area.
