Limit 12 sweatshirts per company. Sweatshirts will be awarded for qualifying boiler purchases made through The Granite Group August 17–October 16, 2026. Product must also be taken/received/invoiced by October 17, 2026. Qualifying products include any regularly stocked residential boilers from the manufacturers noted above. Sizes and custom embroidery detail will be collected and sweatshirts will be delivered in January 2027. Purchases made for commercial, industrial, government & institutional, utility, and multiunit construction work through specially negotiated pricing agreements do not qualify. Employees and wholesale business competitors of The Granite Group are not eligible to participate.

Great people. Great products.
